January 16

Winter!

Our toddlers made snowmen out of cotton balls and footprints. They also explored the sensation of shaving cream snow and sock mitten ice.

Young 2's has a sock snowball fight and made snowmen and creative mittens!

Mid 2's had frosty fun and explored the winter feel box. They also made a beautiful winter snow scene and played with "snow" shaving cream.

Old 2's used their fine motor skills to make a torn paper snowscene and snowglobe. They also explored frosty fun science.

Young 3's made shiny snowflakes and sock snowmen. They explored animal prints in the snow and colorful ice.

Mid 3's made snowy collages and frosty pictures. They learned about the signs of winter and made ice rainbows!

Old 3's used playdough to make snowmen and learn about animal prints in the snow. They also made a snowglobe and special snowflakes!

Young 4's made marshmallow snow prints and giant snowflakes! They explored melting and ice.

Old 4's did ice painting and made melty snowman cookies- yum! They explored insta-snow and made homemade ice cream.

5's made Tacky the Penguin and a frosty window pane. They explored "cold" and made penguin food as well as sweet snowballs.

Primer did melting experiments and explored the idea of cold! They made puffy snow paintings and had a snowball fight!

Please remember to send coats and a warm change of clothes for your child. Thanks!
